Handwear & Eyewear

Unique glove protection for manicured hands!

Safety in the Sun...Eye Dig It combines fashion and function!

DIG IT™ HANDWEAR

Dig It Handwear is an innovative gardening and utility glove designed to protect a manicured hand. Dig It Handwear has an interior reinforced pillow top protector built on the inside of the glove that prevents the nail from direct contact with the glove. The double protective layer and breathable fabric provides protection from the elements in a durable, quality made glove. Dig It gardening gloves and packaging are made from 100% recycled materials and are the first of their kind for protective gardening and utility gloves on the market.

Product Specs: Available in 5 sizes (Long, Med, Sm, XLong, XSm)
Color: Sage/Pumpkin
Material: 100% Recycled Materials (Synthetic Leather, Silicon, Polyester)

EYE DIG IT™ SUNGLASSES

Eye Dig It Sunglasses is a new brand of safety sun glasses allowing fashion forward customers the ultimate in eye protection. This revolutionary technology protects your eyes from UV rays and incorporates the highest impact resistance lenses of any safety glasses on the market. The distinctive large frames provide superior eye coverage and protection in a bold, classic style. These frames are made of industrial polycarbonate offering resilience and durability while providing comfort and an attractive style. Our unisex design compliments a variety of face shapes and Eye Dig It is equally suited for driving, DIY projects, gardening or beachcombing.

Outdoor enthusiasts, gardeners and DIY'ers understand the important features in choosing safety eyewear; durability, UV protection, lens colour, comfort and fit. Eye Dig It delivers on all levels....all while keeping you on the cutting edge of fashion.
